SUMMARY

Junior Full-Stack Developer with hands-on experience building scalable web and mobile applications using MERN stack. Specialized in Next.js, React Native, and Node.js with expertise in enterprise solutions, HRMS systems, and marketing platforms. Proficient in Redux state management, RESTful APIs, and delivering clean, maintainable code for business process optimization.

EXPERIENCE

Junior Developer

Olio Global AdTech LLP, Mumbai, Maharashtra

Nov 2024 - Present

Full-Time

- Developed and maintained **RheinMain** and **Atlas Technology** websites using **Next.js**, delivering scalable enterprise frontend solutions that improved **page load speeds** and user experience.
- Created **8 high-converting** dynamic landing pages with **Next.js**, boosting **marketing campaign performance** and increasing user engagement rates.
- Built complete **HRMS system** with **React Native** mobile app for leave management and admin dashboards, streamlining HR processes for **100+ employees**.
- Developing cross-platform **PMP Chat App** using **React Native** and **Redux** for real-time communication and **FCM**, enabling seamless team collaboration across mobile and web platforms.

TECHNICAL SKILLS

- Frontend Technologies:** React.js, Next.js, React Native, Redux, Tailwind CSS
- Backend Technologies:** Node.js, Express.js, RESTful APIs
- Programming Languages:** JavaScript, TypeScript
- Database & Tools:** MongoDB, MySQL, Git, GitHub, Postman, Vercel

PROJECTS

E-Commerce (Online Store) Website Link

Nov 2023

- Built a full-featured e-commerce platform using MERN stack with user authentication, product catalog, shopping cart functionality, and order management system.
- Integrated Stripe payment gateway for secure transactions and implemented JWT-based authentication with bcrypt password encryption for enhanced security.
- Developed admin dashboard for inventory management, order tracking, and user management with automated email notifications via Nodemailer for order confirmations and updates.

Bento (Linear.app Inspired) Link

Present

- Developing a comprehensive project management platform using Next.js and TypeScript with real-time team collaboration, issue tracking, and sprint planning capabilities.
- Building features for task assignment, progress tracking, team workflows, and project roadmaps with intuitive drag-and-drop interface and status management.

EDUCATION

Master of Science in Computer Science - CGPA: 9.02

Shri Shivaji Vidya Prasarak Sanstha's Science College, Dhule, Maharashtra, India

May 2022 – July 2024

Bachelor of Science in Computer Science - CGPA: 9.42

Shri Shivaji Vidya Prasarak Sanstha's Science College, Dhule, Maharashtra, India

May 2019 – May 2022

AWARDS & HONORS

Ranked 3rd in MSc Computer Science (2024) at Shri Shivaji Vidya Prasarak Sanstha's Science College.

Ranked 1st in BSc Computer Science (2022) at Shri Shivaji Vidya Prasarak Sanstha's Science College.
